 Rachael Musau

PROFILE

I am a developer with expertise in HTML, CSS, and JavaScript, complemented by knowledge in frameworks like Tailwind CSS and React JS. Additionally, I specialize in Python and Bash scripting for DevOps, and I have proficiency in MySQL for database management. I plan to build these skills further to join the cybersecurity field in the future. With a Bachelor of Business and Information Technology from KCA University, I blend technical proficiency with business acumen, ready to take on challenges and deliver impactful results.

PROFESSIONAL EXPERIENCE

Nairobi City County

IT intern

07/2024 – 09/2024

During my attachment at the City Hall ICT department, I gained a solid foundation in both hardware and software skills, which effectively launched my career in IT. This hands-on experience allowed me to develop practical expertise in managing and troubleshooting various IT systems, ensuring smooth operations and efficient problem-solving. This invaluable exposure has equipped me with the necessary skills to excel in the dynamic and ever-evolving field of information technology.
